

HEALTHY GOLF SCORE CARDS

SELF-DISINFECTING GOLF SCORE CARDS KILL 99.95% OF VIRUSES

SHARING GOLF CARDS AMONG PLAYERS AND CLUB MEMBERS HAS ALWAYS BEEN PART OF THE GAME.

Introducing **Healthy Golf Score Cards** that use a self-disinfecting varnish making your golf score cards **safe to handle and share again**. Available in Ireland and the UK from specialist print company, RV International, **Healthy Golf Score Cards** use a clinically tested Lock 3 print varnish that reduces the risk of germ transmission by killing up to 99.95% of known bacteria, fungi and the corona virus family.

Some of the Benefits of Healthy Score Cards

- Sustainable, long-term protection against pathogens
- Guaranteed self-disinfecting for 12 months
- Fully recyclable and environmentally friendly
- Reduced risk of bacteria and virus transmission through sharing our score cards and increased safety for your members
